WHITBY & DISTRICT WAR MEMORIAL COTTAGE HOSPITAL

ANNUAL REPORT

1940

The Report for the year ending 31st December, 1940, is submitted by your Committee, and although it is their desire that it should be as brief as possible, it is gratifying to state that in these very anxious times, with the absence of members of the Medical Staff, and with various other war-time restrictions, the Hospital has been able to meet the needs of its patients. Extra demands, such as Air Raid casualties and cases admitted from the Military, have made immense calls upon our resources. The Income was insufficient to meet the Expenditure, and a debit balance has unfortunately been the result.

These are difficult times, as everyone must realise, and it is only by a continuance of the generous support from all who contribute that these difficulties can be overcome. The Committee earnestly solicits the help of others who have overlooked the vital needs of the Hospital. Contributions in kind will be appreciated, and to friends who have in the past given their support to our Garden Fêtes and other special appeals, perhaps a reminder now may not be out of place. We shall have to "mark time" for a while before we can resume such happy gatherings, but in the meantime the funds and the gifts are needed more than ever.

The Committee has received generous donations, which helped to provide the much-needed portable X-Ray Set and new equipment for the Laundry.

Thanks are expressed to the several Committees in the Country Districts, who have organised Whist Drives, Dances and Entertainments, with wonderful results.

The efforts of the Sleights Ladies' Whist Club, originated by Miss A. A. English, are worthy of special mention. This movement has raised, during a very short period, the sum of £100 (One Hundred Pounds), which has been handed over to the Hospital.

Valuable help continues to be given by the Ladies' Committee who, in addition to their several other duties, are ever watchful for any opportunity which may yield benefit to the Hospital.

The Linen League has again been well supported, and its Hon. Secretary (Mrs. E. Baines, senr.) and the League Committee are to be congratulated.

Employees' Collections have been well maintained, despite the "calling up" of many of the Contributors. The Committee expresses its earnest hope for the safe return of those who are on Active Service.

It is with deep regret that the death of Alison Lady Ley is placed on record. Her ladyship will long be remembered for her acts of kindness and her generosity. Her loss is deeply deplored by this Committee. We have also to record the passing from our midst of the Rev. G. M. Storrar and Rev. G. E. Waterhouse, who were for a great number of years valued members of the House Committee.

To the members of the Hon. Medical Staff, the Matron and Nurses, the Committee expresses its appreciation of their splendid work. Their duties, often greatly increased in times of emergency, must be a great strain upon them.

The St. John Ambulance Brigade has rendered services on many occasions in a most praiseworthy manner, and this Committee is very grateful to its members.

The Ministry of Health has leased Carr Hall from Major H. R. Bell, as an Annexe to the Hospital. The necessary Staff is being appointed, and other preparations are well in hand. It is expected that the opening date will shortly be announced.

There are many whose names could be mentioned with gratitude for their useful services to the Hospital, but whilst it is impossible to refer to each one individually this affords an opportunity of acknowledging with thanks the help given by Mr. W. M. Galleway as Chairman of the House Committee; also by the four volunteers who put in much time as Fire Watchers, viz.: Messrs. W. Hill, W. Ward, H. Quince and W. Readman. The Fishburn Park Wardens and Stirrup Pump Parties have offered to render assistance should the need arise.

To all Subscribers and Supporters the grateful thanks of the Committee are now sincerely tendered for their generosity in providing the funds detailed in the various lists in this Report,

FORM OF BEQUEST

The following form of bequest is suggested for the guidance of those who may wish to aid the Charity by Will.

"I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of

free and clear of legacy succession and estate duty, and of all other deductions, for the general purpose thereof, to be paid within calendar months next after my death without

interest. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof."

Or in the alternative if Testator prefers an Endowment.

"I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of

free and clear of legacy succession and estate duty, and of all other deductions, to be paid within calendar months next after my death without interest, and to be invested on permanent security, and the income of the investments to be applied by the Management Committee for the time being of the said Institution annually, and not by way of anticipation to the general purposes of the said Institution in such manner as the said Committee for the time being of the said Institution may deem expedient. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof."
